Welcome to the
**34th Annual Poor Girls
 Sailfish Tournament**

Thank-You to all our "Poor Girls" for making this event so successful year after year! As always, this is a charity tournament benefitting our new Spay/Neuter Clinic and the Shriners Children Hospital. There will be a fabulous raffle held during the tournament to help raise money. All raffle items are donated by local vendors and merchants.

On Tuesday, February 7th come to Islander Resort to pick up your tournament goodies and your meal ticket for Wednesday night. Have a drink and mingle with the other anglers. Make sure you bring your meal ticket when you return Wednesday night for a great dinner provided by ISlander Resort.

Casting for Cats is proud to add the successful Poor Girls tournament to our family of tournaments! As with all CFC events, all proceeds stay with local charities.

Good Luck Fishing, Poor Girls, and no matter what, have a fun day on the water!
(Remember: A bad day on the water is better than a good day at work!)

Poor Girls Sailfish Tournament RULES

1. This is a BOAT tournament with no more than 6 anglers per boat. No more than 6 lines in the water at any time during fishing hours. This does not include teasers.
2. This is a TEAM event. A team consists of one or more angler(s). An individual angler may win a team award.
3. IGFA Rules apply, unless otherwise specified. It is the responsibility of the anglers and crew to be familiar with and abide by these rules. Failure to comply with any IGFA rule may result in disqualification of the day's catch. Federal regulations require that "non-offset" circle hooks must be used with live or dead natural bait.
4. This is a release-only Sailfish tournament. Release of non-billfish is optional. All non-billfish eligible for heaviest fish award (Tuna, Dolphin, & Kingfish). Photo of fish with angler and weight of fish seen clearly must be sent into committee boat no later than 5:30 p.m.
5. All Sailfish hookups MUST be reported immediately to, and acknowledge by, the committee boat. The ultimate result of each hookup (release, lost, etc.) must also be called to committee boat and acknowledged.
6. No one except the angler may touch the rod, reel or line at any time to engage or fight the fish. The captain, angler or mate must touch the leader (not the double line) for the fish to qualify as a release.
7. Chumming is prohibited, except for the purpose of catching bait. Used bait must be kept on the boat, dead or alive. Any fish caught in an area enhanced by chum will not be considered for scoring.
8. No greater than manufacturer's stated 30-lb. test line may be used. The double line shall be limited to 15 feet and the leader shall be limited to 15 feet. Their combined length shall not exceed 20 feet.
9. Sailfish boundaries are 80°20' west longitude to the east (roughly Molasses Reef light) and 80°50' west longitude to the west (roughly Tennessee Reef light). There are no off-shore boundaries. Fishing is prohibited inside the boundaries of any Sanctuary Preservation Area (SPA) of the Florida Keys National Marine Sanctuary.
10. Lines in at 8:00 a.m. and out at 3:30 p.m. A fish may be fought after 3:30 p.m. only if it has been reported to, and acknowledged by, the committee boat no later than 3:30 p.m. All boats MUST return to the dock no later than 5:30 p.m.
11. In the event of a tie, the angler who catches the last fish first wins.

12. All protests must be submitted in writing to the tournament committee no later than 6:00 p.m. All decisions of the tournament committee are final.
13. Tournament committee boat channel is #78. In the event one is needed, alternate channel will be #79.
